

## **Simogo presents Bumpy Road for iPhone, iPad, iPod Touch and Mac!**

Malmö, Sweden - March, 4 2011 – The makers of Kosmo Spin is back - with a love story on four wheels. Simogo is proud to announce **Bumpy Road** for all iOS platforms and Mac!

Spring is here and a loving couple in their autumn years have decided to go for a ride in their car, just like in the old days. Bump the road with a simple touch to safely guide them on their trip and help them collect the memories of their past.

- A completely new and original control method. Use the touchscreen to modify the ground and push the characters around. A platform game tailored for touch input!
- A feel good arcade game with a moving story – Discover the life of a family as you find memories while you play.
- Travel as far as you can in "Evergreen Ride" or beat your best times in "Sunday Trip". Then sit back and relax as you enjoy the story in "Memory Lane".
- All the bells and whistles – Universal app, retina display visuals and achievements and leaderboards on Game Center as well as Facebook score posting.

**Bumpy Road** will be available on the App Stores early this spring.

### **About Simogo**

Simogo was founded in 2010 by Simon Flessner and Magnus "Gordon" Gardebäck and is based in Malmö, Sweden. In December 2010 they released their first iOS game, Kosmo Spin. The founders handled the art and technical direction on the critically acclaimed game ilomilo and other merits include work on remakes of gaming classics such as Lode Runner, R-Type and Tecmo Bowl.
