

Kosmo Spin for iPhone, iPod Touch and iPad is now out on the AppStore!

Malmö, Sweden – December 2, 2010 – Simogo is proud to announce that Kosmo Spin is now available on the AppStore!

What?

Kosmo Spin, the universal app for iOS! A one of a kind circular action game, controlled with the tip of your finger! Visit www.kosmospin.com for trailers, screens and more info.

Where?

On the AppStore! <https://itunes.apple.com/us/app/kosmo-spin/id404446780?mt=8>

When?

Right now!

How much?

\$0.99 (that's less than a cappuccino or a chocolate bar, but quite a bit more than a handful of dust or a jar of dog hair).

Why?

Because Kosmo Spin is super fun and so simple to play you'll be asking your grandma if you can have your iPhone back - Just swipe your finger across the screen to spin the universe!

Plus, the fun never stops: There's always a score to beat in the endless mode – With Game Center you can compare your own high scores with your friends and people around the world.

Have you completed all the Quests in the Quest mode and got all the Achievements on Game Center? No worries. Kosmo Spin will be updated constantly. Expect new Quests and Achievements for free all the time!

Who?

Simogo was founded in 2010 by Simon Flesser and Magnus 'Gordon' Gardebäck and is based in Malmö, Sweden. The founders have previously worked on several downloadable console titles. Among those are Lode Runner, R-Type Dimensions and Tecmo Bowl Throwback.

They have recently finished their work as Art Director and Technical Director on ilomilo and don't think that instant coffee is all that shabby.
